

Welcome to St. Charles Bay Hunting Club (the "Club"). We ask that each of our guests complete this form before hunting, fishing, or staying with us. The Club takes safety and game laws very seriously. You will not be allowed to hunt or fish with us or use the Club facilities until you and your host Member have completed this form and delivered it to our Club Manager, Ronnie Goodwin. Please do not hesitate to ask your host Member or our Club Manager any questions about any subject covered or not covered by this registration form.

I have read, understand and am familiar with the Club's Safety Rules (printed on the reverse side of this form), the current Hunting Season Bag Limits, and State regulations and limits on fishing. I understand that, irrespective of otherwise applicable laws regarding legal game, the Club is strictly a duck hunting club. No geese, cranes or other birds may be hunted while at the Club.

Club activities involve the use of firearms, fishing equipment, boats, motors, etc. Club activities also involve exposure to water and an outdoor environment which can be impacted by the weather. These activities necessarily and inherently involve risk and exposure to accidental injury. I understand that there is risk associated with Club activities. I also understand that if an injury occurs, it is not the responsibility of the Club, which bears no responsibility for the actions taken by those present.
